1. In view of A/29's plans to visit Headquarters, only certain aspects of reference A will be dealt with at this time.

2. We have talked with A/2 regarding contact operations at the festival in Helsinki. He agrees that A/29 should go, and is leaving it up to him to get things started. He also agrees that A/43 should be encouraged to write his Soviet girl friend suggesting a meeting in Helsinki. It is assumed that A/43's last letter to her was mailed to her mother's address in Striy and that he would make future letter contact with her via that address. The correspondence need no longer be deferred if this is the case. Two or three pamphlets and a special issue of the Information Bulletin in both the Ukrainian and Russian languages are now being prepared for distribution at the festival. A/2 plans to ask ES-960, with whom he has contact, for any ideas he may have along these lines. Other details can be discussed with A/29 personally when he arrives.

3. The access to the Soviet Embassy referred to in paragraph 7 of reference A might provide names of individuals planning to visit relatives in the Ukraine who, because of their location in a particular area of interest or their disaffection with the regime, would be potential recruitment targets. In addition, there is the potential of recruitment operations mounted against Ukrainian members of the Soviet Embassy and the Soviet Trade Mission.

4. Please cable A/29's FTA.
